

# METC Program Roadmap for Combat Medic Specialist

## Degree

Healthcare Associate's - Medical Assisting Specialization

## Degree Objective

Graduates of this program know and can apply a combination of real-world technical skills and general education concepts, and have learned to serve as valuable members of a healthcare team. Depending on the career track, graduates may choose from a variety of employment options involving healthcare administration, patient care or related healthcare situations. Graduates understand and value critical thinking and problem solving, written and interpersonal communication, customer service, diversity-awareness skills, and medical ethics, as these concepts relate to the healthcare industry and the community.

## Admissions Requirements

- High school graduation or equivalency.
- Completion of the Basic Medical Technician, Combat Medic or Corpsman training program through a branch of the United States Armed Forces evidenced by a Joint Services Transcript (JST) or an ACE military transcript from the American Council for Education (ACE).
- Rasmussen University Entrance Placement English and Math assessments.
- Clear background check. Minnesota applicants must successfully pass a background check through the Minnesota Department of Human Services.

## Degree Requirements

- Total Quarter Credits: 91 credits.
- Residency: All required courses can be completed online.
- General Education Courses: Students must complete General Education courses as stated in the Rasmussen University Course Catalog.
- Maximum transfer limit: 67% of total Program or 60 credits. Students must take a minimum of 31 credits at Rasmussen University. External courses require a C or higher for transfer eligibility.
- Minimum Grades: Students must receive a minimum of 60% (D) to pass in all courses except HSC2641 Medical Law and Ethics which requires 73% (C) or higher.
- Satisfactory Academic Progress: Student must meet SAP as outlined in the Rasmussen University Course Catalog.
