

# METC Program Roadmap for Combat Medic Specialist

## Degree

Medical Assisting Diploma

## Degree Objective

The objectives of this program are to prepare students to become valuable members of a healthcare team by supporting and assisting providers in delivering effective and efficient quality healthcare services, and to prepare students who are proficient in cognitive (knowledge), psychomotor (skills), and affective (behavioral) learning behaviors for entry-level medical assistant positions. Graduates of the program will value the critical thinking, effective communication, diversity-awareness skills, and medical ethics as they pertain to the medical assisting career.

## Admissions Requirements

- High school graduation or equivalency.
- Completion of the Basic Medical Technician, Combat Medic or Corpsman training program through a branch of the United States Armed Forces evidenced by a Joint Services Transcript (JST) or an ACE military transcript from the American Council for Education (ACE).
- Rasmussen University Entrance Placement English and math assessments.
- Clear background check. Minnesota applicants must successfully pass a background check through the Minnesota Department of Human Services.

## Degree Requirements

- Total Quarter Credits: 51 credits.
- Residency: On campus and online courses.
- General Education Courses: Students must complete General Education courses as stated in the Rasmussen University Course Catalog.
- Maximum transfer limit: 67% of total Program or 34 credits. Students must take a minimum of 17 credits at Rasmussen University. External courses require a C or higher for transfer eligibility.
- Minimum Grades: Students must receive a minimum of 60% (D) to pass in all courses except courses with HSC or MEA prefix courses codes which requires 73% (C) or higher.
- Satisfactory Academic Progress: Student must meet SAP as outlined in the Rasmussen University Course Catalog.
